Subj: Letter of Appreciation

Dear Mr. Fernando Romero

It gives me great pleasure to forward this letter of appreciation to you. The assistance you provided in the past and the assistance being provided now is deeply appreciated. Your professional design expertise, personal assistance and "can do" attitude helped to significantly improve our office environment. Your design ideas are fresh and exciting; everything is upbeat and up-front. In today's business environment things can get pretty tough, but working with you has been easy.

I thank you for your swift work and professional ideas. You did a magnificent job and definitely met our expectations.

We here at the VA Regional Office are very pleased with the results.

You truly help make a difference.
